Benefits

Cancellation costs
Payment of cancellation costs before departure in the event of:

- Serious illness, accident, death and pregnancy complications
- Damage to property at the place of residence
- Delay and/or absence of means of transport on arrival
- Dangers at the travel destination or strikes
- Unemployment or unexpected recruitment

Assistance
Organisation and payment of costs for:

- Transfer to the nearest appropriate hospital
- Repatriation to a hospital or to place of residence, with or without medical accompaniment
- Repatriation of body in the event of death
- Return journey due to abandonment of the trip by a fellow passenger or a family member
- Early return due to illness, accident or death of a close relative not on the trip or that of a stand-in at work
- Return owing to civil unrest, terrorist attacks, natural disasters or strikes

QUALITY ELVIA SINCE 1950

ELVIA is the Swiss pioneer amongst travel and sports insurers, and today is a recognised quality label. Swiss roots and Swiss quality – around the clock, around the globe since 1950.

Global Assistance
Allianz

Search and rescue costs
Payment of search and rescue costs abroad if the insured person is posted as missing or must be rescued from a physical emergency.

Flight delay
Payment of the extra expenses (hotel, rebooking, and telephone costs) necessary to continue the journey when a connecting flight is missed following a delay of at least three hours due to the fault of the first airline company.

Travel Hotline
The telephone information and advisory service is available around the clock with valuable tips, sound advice and useful information about the country you are visiting.

24-hour medical advisory service
Advice for minor medical problems in the country you are visiting including recommendations regarding any urgent treatment.

Credit and customer card barring service
In the event of the robbery, theft, loss or misplacement of bank, post office, credit and store cards, the insured can request assistance and arrange to have the cards in question blocked immediately.

Mobile phone barring service
If the insured person loses their mobile phone, or if is stolen, arrangements will be made to have the phone blocked immediately by the provider in question.

Home Care
Home Care provides emergency help when the Swiss residence suffers a loss due to burglary, fire, natural hazards or water damage or glass breakage during a trip abroad.

Interpreting service
The Interpreting service is a 24-hour telephone translation service proving assistance with communication difficulties in various languages.

Important information

- Policyholders up to the age of 26 pay a special «junior» price for this insurance.
- Valid worldwide, for an unlimited number of trips within one year.
- Assistance services are only provided in the event of a request by telephone to the emergency hotline.
- The policy is automatically renewed unless notice of cancellation is given three months prior to renewal date.

Coverage is subject to the General Terms and Conditions at www.allianz-assistance.ch/tc
Valid from October 2014, reserving the right to adjust prices and services.
